

BAD BEAR[®]

clothing and accessories co.

About Us

Bad Bear has a great pleasure to reflect its inspiration and designs that combined the power and the beauty of nature, to the streets that we have grown up. We adopt to avoid being average looking by representing our products to the market and combine new trends and our experience

Who Are We?

2013

We started desing and produce belts in our home Office

2014

We took a place in the market with the new collection of socks and Men's underwear

2016

With a highly request from market places and sales channels, we decided to expand our product range

2021

Today we have 60 happy employes, with 400 point of sale and over 100 million TL endorsement

Vision

To be a global brand in Street wear.

Mission

We reflect;
our inspiration, ideas, and designs by
the beauty of colorful and powerful
nature,
to the streets we grow up
